GINGER ALE

ESTABLISHED IN 1825.

GRATTAN & Co. were the first to produce Ginger Ale in 1825, hence their undisputed title of "**Original Makers.**"

This Ginger Ale is prepared with the finest ingredients by their patent process, which **ensures freedom from metallic contamination.** It is submitted on its merits, in the belief that the American consumer will not be slow in appreciating its superiority.

The distinctive feature of the Ale is its fine **delicate flavor of pure ginger.**

Can be had at first-class hotels and restaurants. For sale by leading grocers.

HENRI ABELÉ'S Ruby Royal "Sec."

The only Red Champagne Imported into the United States.

This Wine will be found to possess exceptional merit in all the characteristics of dryness, mellowness of flavor, and delicacy of fragrance, **being the choicest product of the champagne country.**

SOLD EVERYWHERE.

Bottled in London by Read Brothers.

THE Dog's-Head Brand

OF EXTRA QUALITY

Guinness's Stout and Bass's Ale

IS UNQUESTIONABLY THE FINEST EVER IMPORTED.

Sold by all First-Class Hotels, Restaurants, and Saloons, and by Leading Grocers and Wine Merchants.

The unprecedented success of the **Dog's-Head Brand** renders it unnecessary to dwell on its merits.

The Stout is brewed by GUINNESS, SON & Co., and the Ale by BASS & Co., but must not be classed with the bottlings of their cheaper brewings known as "**Home Trade" Beers** usually imported into the United States.

READ BROTHERS bottle **none but Guinness's and Bass's choicest quality.**

PREFACE.

In presenting this second annual issue of the Boston Club Book we have, we believe, added such new and interesting features as cannot fail to make the volume more interesting than ever. In every instance where it has been possible to do so, we have given the location of the clubs. Of course in the case of dining clubs, which meet at no regular place, this is impossible. As a most important feature of the book, we have this year, at considerable expense, added ten full-page photogravure illustrations of Boston's most prominent club-houses, which are not, we believe, excelled in the country. Thanking the club men for the generous patronage accorded the book last year, and trusting all errors will be at once reported to us, we are, very truly,

THE PUBLISHERS.

MASSAGE AND MAGNETISM.

MRS. DR. E. M. FAXON,

22 WINTER STREET (ROOM 7A).

Massage, *by a Vital Magnetic Operator, recuperates and restores nervous energies depleted by over-work, establishes an equipoise of all forces in the system, and is the redemption of brain-workers from the nervous ailments so appalling to the medical practitioner.*

It is the panacea for Dyspepsia, and also by promoting digestion, its preventive. Bon vivants appreciate Massage for this reason, and promptly benefit by its assistance. Obesity cured.

THE BOSTON

SATURDAY EVENING GAZETTE.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for nearly three-quarters of a century the leading family weekly journal of the city. Its circulation is largely among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama, Society, and the General Affairs of the Day,

it employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the REV. H. PRICE COLLIER, of Brooklyn, N.Y., which are printed each week during nine months of the year, from the author's manuscript, and are believed to be among the ablest and most widely read discourses that emanate from any liberal pen.

The GAZETTE is a special favorite with the ladies. Its **"Out and About"** columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. The **"Familiar Letters of Peppermint Perkins"** are among the many strong and popular specialties of the GAZETTE, and have from their first appearance enjoyed a constantly increasing favor. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel, and Club Paper,** it is without a rival.

The GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage: and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England" — *Harper's Weekly.*

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week." — *Boston Transcript.*

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival." — *Boston Herald.*

Coca Wine.

METCALF'S Coca Wine has been used by the medical profession many years, and is acknowledged as the most reliable preparation of its class. Its use has extended from special to general practice, and it has now a world-wide reputation.

Physicians have found it to be a Palatable, Diffusible, Stimulating Tonic, sustaining life by retarding waste, removing fatigue, and restoring and improving the appetite.

METCALF'S Coca Wine has been found useful for children, elderly people and convalescents, as the stimulation produced by a medium dose is *slow* and *sustained*, and is different from the excitation produced by any other wine.

DOSE: One-half Wineglassful three times daily.
